Our Patient Charter

1. To provide dental care of the highest quality at all times.
2. To keep up to date with dental care advances and use the very latest techniques and equipment in our work.
3. To clearly explain treatment options available, and to provide individual treatment plans for all patients.
4. To provide the best solutions we can at all times, including pain management and referrals to other NHS services where needed.
5. To ensure our patients feel relaxed and comfortable during all interactions with us, building trust and supporting their dental care journey throughout their lifetime.
6. To provide accessible care at all times and adapt to the individual needs of our patients where required.
7. To consistently adhere to the required standards of dental practice at all times.
